President's Message

February President's Message

There's no place like home! Even though I had a fabulous time in Japan, it's good to be back among people who speak English, and the comfort of my own home.

My son (Joe) started working in Japan in January 2016 and will be there until about October of this year. His wife and 2 sons joined him there when school in Flagstaff ended. Their summer was spent in Okayama, where Joe's workplace is located. In August they moved to Kobe where the kids could go to an international school. They are learning Japanese, a very difficult language, and few people in Japan actually speak English. Their daughter from ASU and our son & wife from

Atlanta, joined us for the holidays. Christmas is not much of a celebration there, since few people are Christian, but the New Year and days following are days of big celebrations and crowds, especially at the Shrines and Temples. We did a lot of travel by train to other towns. Hiroshima was a very emotional memorial to see with photos of the damage and injured people. Towards the end of our stay, Joe let us venture off on the train by ourselves after showing us how to ask questions on our cell phone with an app that translated the English to Japanese figures. We caught a train in a hurry coming back one day, and I was worried it might be the wrong connection, so I wrote a sentence that was translated to Japanese, showed it to the 2 women across from us, and one answered in English! For signs written in their symbols, the app had a way to take a photo and translate it in English. Nice technology to have in a foreign country.

We learned some culture while there too. No touching, shaking hands, etc., just bowing the head to say hello, goodbye, thank you, etc. Many people wear masks and the internet said it was to prevent their spread of disease for the wearer. I checked with Joe and he said it originated in China and was worn to prevent toxins in the air from entering your airways. Today he thinks it more of a preventative measure to protect the users from diseases. Much of their time is spent in close proximity to others on the trains, buses, and everyday crowds. The housing is

very dense. Joe's apartment is on the 54th floor, where the elevator takes 55 seconds to get from open doors on floor 1 to 54. It was so smooth you could barely feel it moving and stopping. I was surprised to never see traffic lines. It's crowds of people and bikes instead. Cars are very expensive to buy and maintain, not to mention park. Licenses are pricey and hard to get, as Joe found.

The Japanese people are so nice, but you won't feel that when going to the train station. Everyone is in a hurry, never yielding to others, and you better watch out for the bikes. That said, I think that part of their life is understandable. In the US we tend to be aggressive in our cars. Most Japanese must depend on bus or rail for all transportation. Our grand children take a train and bus to school. They loved the freedom of staying late after school if they wanted, and it's so safe. My daughter-in-law loved not having to drive to school to pick them up. It is extremely rare to own a car.

What do I miss the most about Japan? The heated toilet seats, especially in the night!

TBQ news: "They Call It Prescott" quilt is due in Feb. Please bring your quilts or finished tops to show. Remember the food donations for the church. Please buy some Opportunity Quilt tickets.

Happy Valentine's Day,

Pat Armstrong, TBQ President

President's Challenge

The President's challenge is titled, "They call it Preskitt." Your quilt can represent something in Prescott, such as buildings, events, parks, historical areas, activities in the square, unique features of our town, etc. The size should be up to 100 inches in circumference. (For example, a square could be 25 in. per side; rectangle 15 by 35 in.; and so on.) Smaller will be fine. We hope to have them in by February 17, but they will be accepted after that. We want to have them by show entry time.

In order to use St. Luke's Episcopal Church for our meeting place, we have been asked to bring nonperishable food items to donate to their food bank.

Please don't forget to bring an item or two. They are especially needed this time of year. Thank you!

Prescott Community Center Exhibit

Happy TEN year anniversary, dear Adult Center!! We have enjoyed 'decking your halls' for all these TEN years long! And happy birthday to me! For ten years, I've been orchestrating the hanging of quilts in the Atrium at the Adult Center. To celebrate my significant "0" birthday, I decided to be the "One Woman Quilt Show". Wow! I didn't know it would feel this great! :-) It's really really f.u.n.! I am the fifth TBQ member to be featured this way. Others have been Mary Jane Steinhilpert, Kay Wentworth, Kathleen Bond, and Kathy Beeson. The rest of you should consider hanging your own One Woman Show! Here is what you'll need:

Quilt Sizes Needed:

LARGE: from 60" to 90" wide, any length. (Need SIX.)

SMALL: from 45" to 60" wide, any length. (Need FOUR.)

If any of you happen to stop by 1280 Rosser Street to check out my quilt show, you just might find me sitting in the Atrium, smiling and enjoying the glory of being surrounded by my quilts in such a beautiful venue! :-) Our next display will be "Yellow Quilts--Hello Sunshine!", and will go up in March sometime...to welcome Springtime in Prescott. If you have yellow quilts to add to this display, let me know! Or...if you want to be a One Woman Quilt Show, let me know!

Quilts For Sale!

We've mentioned more than once that visitors to the Adult Center have asked if any of the quilts were for sale. President Pat mentioned at the January meeting that works were under way to offer TBQ members' quilts for sale. If you are at all interested in selling any of your quilts, here's the deal. We don't have all the details finalized yet, but you need to be thinking about if you have any quilts for sale. A form will be placed on the website with the other 'forms'. You will need to attach a photograph. More details to follow...

Handmade Hugs

A special thanks to all the members who have been participating in the Handmade Hugs project for the foster kids in the Prescott area. We were able to deliver 18 quilts and 86 pillowcases on December 16th. The donation was received with warm-felt thanks and appreciation and the judge who presides over the foster children cases was "absolutely thrilled" with our project.

These children go through so much trauma as they are being removed from their homes and it's satisfying to know that our quilts will provide a "Handmade Hug" as they enter their Foster Care homes.

Our workshops are held on the 4th Monday of the month. If you'd like to attend, you can work on your own project or join the group in putting blocks, tops and quilts together!

Our next workshop is at 9 a.m. on Monday, February 27th.

Thanks again for your help!

P.S. Please send any related emails to me at: handmadehugs@cablone.net

Friendship Groups

As we have new members who don't know what a **Friendship Group** is, Diane Belveal came up with a wonderful program for our March meeting. One person from every Friendship Group talks about their group and shows a quilt or a project. By doing this, new and old members will know what is happening with in the various Friendship Groups.

Points you may want to cover:

- Is the group open or closed.
- Do you have a waiting list.
- Where do you meet.
- When do you meet.
- Do you have group projects.
- Do you have challenges.
- What is your purpose or theme.
- Anything else you can think of.

Please contact Diane Belveal or Shirley Pichoff with comments or questions.
